5. To see if the Town will vote to raise and appropriate the sum of \$392.78 for Town Roads Aid, this sum to be matched by a State contribution of \$1,571.10.

4. To see if the Town will vote to raise and appropriate the sum of \$400.00 for Blister Rust Control.

5. To see if the Town will vote to raise and appropriate a sum not exceeding \$191.00 (1/100th of one percent of the Town's valuation based on the 1948 assessment) to the Merrimack Valley Region Association for the purpose of publicizing and promoting the natural advantages and resources of the town in cooperation with the 37 other communities in this region.

6. To see if the voters of the Town will authorize the Selectmen to borrow money in anticipation of taxes on short term notes for the year 1949 to an amount not exceeding \$30,000.00.

7. To see if the Town will vote to give the Selectmen authority to transfer money from one appropriation to another.

8. To see if the town will vote to request the State Tax Commission to make a complete reappraisal of the lands and buildings within the town, to equalize valuations in accordance with the law, and to appropriate money for this purpose.

9. To see if the town will vote to petition the State Tax Commission to have an audit made by the division of Municipal Accounting, and to make an appropriation to cover the expense of such audit.

10. To see if the Town will vote to raise the sum of \$1,250.00 for the purpose of purchasing a tank truck for fire use.

11. To see if the Town will vote to raise and appropriate a sum of money to apply to the Concord Hospital deficit from operations, the amount not to exceed \$850.00.

12. To see if the Town will vote to close the road in the Valley of Industry from Gordon Hutchinson's barn north to the Daniel Webster Highway, subject to gates and bars.

13. To see if the Town will vote to purchase a truck to be used for Town purposes, and appropriate money for the same, in the amount not to exceed \$4,000.00.

14. To see if the Town will authorize the Selectmen to sell lots from the Town property located on Corn Hill Road to veterans of the Town for the sum of one dollar; subject to regulations.

15. To see if the Town will vote to set a fixed rate of \$2.00 plus the janitor's fee for the use of the town hall by town organizations for attendances of less than 60 people.

16. To see what sum of money the town will vote to raise and appropriate to be used for the purpose of painting the combined town hall and church building.

17. To see what sum of money the Town will vote to raise and appropriate for laying a new sewer from property

owned by Agnes Pillsbury to the main sewer on school property and from Franklin McFarland's property to the above mentioned point and extend a new main to the river.

18. To transact any other business which may legally come before said meeting.

(*) Business meeting for appropriations ONLY will be called at seven o'clock in the evening.

Given under our hands and seal, this twenty-first day of February, in the year of our Lord nineteen hundred and forty-nine.

BOSCAWEN PUBLIC LIBRARY

The library schedule is as follows: Main building, Tuesdays—2:00 to 4:30 p. m. and 6:30 to 8:00 p. m. Fridays—2:00 to 4:30 p. m. Branch, Mondays—3:00 to 5:00 p. m. Wednesdays—3:00 to 5:00 p. m. and 6:00 to 8:00 p. m.

Circulation this past year has been 11,793, a gain of 3,376 over last year. Main building: Adult fiction, 1,743; adult non-fiction, 491; Juvenile fiction, 3,558; Juvenile non-fiction, 249; Magazines, 533. Branch: Adult fiction, 2,414; Adult non-fiction, 300; Juvenile fiction, 1,832; Juvenile non-fiction, 344; Magazines, 329.

Both the Boscawen and Penacook Congregational Christian Churches enrolled in the Congregational Christian Reading Contest.

Books to the number of 425 have been added to the library, 120 by gifts and 305 purchased. Two volumes of "Memoirs of John A. Dix" written by his son, Morgan Dix were presented to the library by Mrs. May Mills of Chicago, Ill.

Many books were received from the Harry Harris, Est., also books and magazines from Mrs. Jane Banker, Mrs. Frederick Butterworth and Miss Julia James.

At the branch "The Woman's Home Companion" was given by Mrs. William B. Ranney; "The Ladies Home Journal and McCall's" by Mrs. George Colby, and the "Saturday Evening Post" by Mr. Cecil P. Grimes. These books and magazines are gratefully acknowledged by the trustees.

A set of "World Book Encyclopedias" has been purchased, also children's books for the "Thornton Book Shelf."

Owing to the large circulation at the branch a part time worker, Miss Barbara Merchant, has been engaged to assist the librarian, Mrs. George Colby.

Book Week was observed by displays of books, and both libraries were decorated for the Holiday Season.

The principals of both the Main Street and Plains schools have taken many books for circulation among their pupils. This cooperation is much appreciated by the librarians.

At the New Hampshire Library Association Meeting at Concord, Boscawen was represented by the librarian and three trustees.

ISABEL H. GRIMES,
Secretary.

REPORT OF THE FOREST FIRE WARDEN

Your local organization to prevent and extinguish brush and woods fires is glad to report a good year of forest protection in 1948. In spite of danger conditions nearly equaling at times those of 1947 when great losses were suffered in New Hampshire and New England, fire damage and loss this year have been gratifyingly low.

With the continuing cooperation of all the people, we can hope to have another successful year in 1949. Let us remember that in any year, over 90% of all fires are caused by carelessness and that all of these man-caused fires are preventable.

Today, we have more slash and uncut grassland than for many years in the past. Smokers, campers and tourists who use our outdoors are also more numerous than ever before. We must therefore be ready for fires which might occur but, above all, prevention by everyone is the greatest need.

A few simple precautions taken by every citizen will help, as follows:

- (1) **Always get a written permit from the warden before kindling a fire outdoors when the ground is not covered with snow.**
- (2) If you smoke, always extinguish matches and tobacco before dropping or throwing them down. In automobiles, always use the ash trays.
- (3) Report fires and smokes to the warden without delay.

The observance of these and other simple rules will go far to insure safety from fire damage and your cooperation in this way is earnestly solicited.

THE STATE OF NEW HAMPSHIRE

*To the Inhabitants of the School District in the Town of
Boscawen, qualified to vote in district affairs:*

You are hereby notified to meet at the Main Street School in said district on the 19th day of March, 1949, at 2 o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see if the district will vote to make any alteration in the amount of money required to be assessed for the ensuing year for the support of public schools and the payment of the statutory obligations of the district, as determined by the school board in its annual report.
9. To see if the district will vote to continue the Committee to make a further study of the consolidation of the schools of Boscawen and to study site, plans, and construction of a new plant with a report to be filed with the district not later than the next annual meeting.

10. To see if the district will vote to raise and appropriate the sum of Three Thousand Eight Hundred Dollars (\$3,800.00) for the purpose of hiring a teacher, repairing of room at Main Street School, and the transportation of seventh and eighth grade pupils, requiring same, to the Main Street School.

11. To see if the district will vote to authorize the School Board to make application for, and to receive, in the name of the District, such advances, grants in aid, or other funds for educational purposes as may be forthcoming from the United States of America through the appropriate federal agency or department, and to execute any and all contracts, agreements, or instruments proper and advisable for the purpose of receiving assistance from the Government of the United States of America.

12. To see if the district will vote to authorize the school board to accept any and all gifts tendered the district if they deem it advisable.

13. To conduct any other business that may legally come before said meeting.

Given under our hands at said Boscawen this third day of February, 1949.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

*To the School Board and the Citizens of the Boscawen
School District:*

I herewith submit my annual report as your Superintendent of Schools.

We are still faced with trying times in the field of education for our young people. Many impacts are being made upon society today that were not prevalent in the past years. Because of these it becomes more and more a problem for us to see that we are giving the boys and girls that type of education which will best fit them to take their rightful place in society. We must ever be on the alert to see that they are furnished with the tools with which to carry on their work. They will take our places tomorrow and we must see that they are prepared today.

At a recent conference at the White House on Rural Education the following statement was made, "Every rural child has the right to attend school in a satisfactory, modern building. The building should be attractive, clean, sanitary, safe, equipped with materials and apparatus essential to the best teaching, planned as a community center, and surrounded by ample space for playgrounds, gardens, landscaping, and beautification." An analysis of this statement as to its bearing on the school housing situation in Boscawen would bring out very clearly that our boys and girls are not now enjoying that right. Our buildings are in need of considerable repair and remodelling in order to make them come up to the recommendation from the White House Conference.

The Committee appointed at the last annual meeting has spent a great deal of time and effort in trying to bring to you the needs of the District. I recommend that you give considerable thought to their recommendations and continue

the Committee to make further study of the needs of the District. It would be an excellent plan to allow this committee a sum of money with which to work. With this they could have plans formulated and some of the preliminary work so necessary in trying to bring out all the facts. They need the assistance of a competent architect in order that they might be able to have figures on cost of construction, the best possible location, and the various facilities which should go into any new construction.

The problem of overcrowded classrooms is becoming increasingly worse. The present enrollment figures are taxing the majority of our rooms at this time. It is expected, from recent census figures, that we will reach the peak of our enrollment in about five years. When that time arrives the present facilities of our District will be taxed sorely insofar as space is concerned. In order to alleviate some of the overcrowdedness for the coming year it is suggested that we open the available room at the Main Street School and house all of our seventh and eighth grade pupils of the district there. This move would enable all of the seventh and eighth grades to have the same educational opportunities and would make for a much better program thereby easing, somewhat, that transfer from grade eight to high school. At the same time it would tend to alleviate the crowded condition at the Plains School. We could organize that school as one with grades 1-3 in the primary room and grades 4-6 in the grammar room. Each teacher would have more time to spend with each class thereby improving the educational opportunities of the pupils in those rooms. Unless more pupils move into the Water Street District it may be feasible to operate that as a unit for grades 1-4, transporting the one sixth grade pupil to another school.

The cost of high school education is increasing at a rapid rate as is evidenced by the increased cost of tuition. At the present writing, and before the Annual Meeting it

may be passed, there is a bill in the Legislature to allow districts maintaining high schools to charge the actual cost of educating a pupil as their tuition. During the past years the districts maintaining high schools have been supporting those schools and allowing you to send your pupils at a figure lower than their actual costs. This has placed a burden on them in that it has raised the cost per pupil in their own own district. It has been suggested that tuition charges amounting to upwards of \$200 will be charged in the very near future.

Where sending districts are going to be charged that amount of tuition, but have no say in the operation and the maintenance of the high school, it behooves these sending districts to study the feasibility of joining with others in the formation of a Cooperative School District. This area should be explored by Boscawen since there may come a time, because of increased enrollments, that a district will inform us that they cannot handle the tuition pupils and we will be without a high school to send the boys and girls of Boscawen.

The schools in general, despite the large numbers in each room, have been operating very effectively. Improvements have been made in our spelling and language series and it is contemplated to improve our social studies series for the coming year. We are hampered, however, with the large combination rooms and the pupils have not been able to have as much of the teacher's time as they should in order to fare favorably with other districts. Your graduates have, generally speaking, done well in their high school work. It is our hope that we may improve, as the years pass, the educational offerings and prepare our young people better for life and further education.

I could write volumes on the needs so far as changes in the school plant is concerned but will not in this report as this is a field which could well be studied by your citizens' Committee. We should be concerned with the condition of

our school buildings and it is my wish that every parent visit the schools to see conditions as they actually exist. We can do only what you allow and with the thought of possible new construction it seems that only the essentials should be carried out this year.

I wish to express my appreciation to the School Board, teachers and citizens for the cooperation I have received during the past year and pray for its continuance in order that we might work for the betterment of our most precious belongings, our children.

Respectfully submitted,

FRED W. SNELL,
Superintendent of Schools.

REPORT OF COMMITTEE ELECTED TO STUDY CONSOLIDATION OF SCHOOLS

The Committee elected last year to study the consolidating of schools in town, wish to submit the following report.

We have held six meetings, discussing this problem from several angles among ourselves, listened to Mr. Paul Farnum, a representative from the State Board of Education, who discussed with us different possibilities and plans for relieving the conditions which confront us, told us of the requirements for new schools, and showed sketches of modern school buildings which meet the standards of the State Board of Education.

Enrollment figures and informations have been studied, these figures showing an increase in the enrollment for each year, the figures for September 1948 being 237, and expected enrollment for September 1949, 246, each year increasing until in 1953 the maximum enrollment will be reached, which will more than tax our facilities.

After deliberating over all angles of our problem, this committee recommends:

1. To relieve the congested conditions immediately, a room in the Main Street building be made ready to accommodate all seventh and eighth graders, that transportation be provided for those two grades from the Water Street and Plain schools, and to partly departmentalize the work to make it much easier for the transition of the children to high school.

2. After studying the enrollment and census figures a "long range program" seems to be one solution to our problem. This would be a central school of eight grades, located at the lower end of town mainly for savings in transporta-

tion, a building of such type as would meet the educational demands of our children.

3. We also recommend a committee be continued to study further the site, type of construction, and cost of building such a school.

IYLA BARTLETT,
Secretary.

Warrant for the Penacook & Boscawen Water Precinct Meeting

1949

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the Penacook and Boscawen, New Hampshire Water Precinct qualified to vote in precinct affairs:

You are hereby notified to meet at the Town Hall in the Town of Boscawen in said Precinct on Thursday, March 31, 1949 at 7:30 p. m. to act upon the following subjects:

ARTICLE 1. To choose all Precinct officers for the ensuing year.

ARTICLE 2. To raise and appropriate such sum of money, not to exceed Three Thousand Dollars (\$3,000), to defray the expenses of engaging an auditor to make an independent audit of the books and records and to establish a permanent bookkeeping system for the Precinct, and to settle for the sum of One Thousand Dollars (\$1,000) the claim of the Silver Estate against the Precinct, and to defray other charges of the Precinct for the ensuing year.

ARTICLE 3. To confirm, approve and ratify all official acts of the Board of Commissioners relating to the emergency repairs to the water mains, the engaging of engineering counsel and surveying services, and the improvement of the water supply and distribution system; and to authorize the Commissioners to continue such engineering counsel, or in their discretion to substitute other engineering counsel, until the completion of the water supply and distribution system under the plans submitted by such counsel; and to raise and appropriate a sum of money sufficient to defray the expense thereof.

ARTICLE 4. To raise and appropriate such sums of money as is necessary for the completion of the water supply and distribution system at the Penacook end of the Precinct in accordance with specifications submitted by engineering

counsel; and to authorize the issuance of serial notes or bonds for all or any part of the sum so raised and appropriated under such terms and conditions as may be determined by the Board of Commissioners, within the limits prescribed by law; and to authorize the Board of Commissioners to fix the time and place of payment of principal and interest of said notes or bonds, and to delegate to the Board of Commissioners the negotiation and sale of said notes or bonds.

ARTICLE 5. To authorize the issue of serial notes or bonds of the Precinct to an amount not exceeding Eighteen Thousand Dollars (\$18,000) for the purpose of refunding the short term indebtedness of Eleven Thousand Dollars (\$11,000) authorized by previous vote of the Precinct; for the purpose of paying One Thousand Dollars (\$1,000) in settlement of the claim of the Silver Estate against the Precinct, Four Thousand Two Hundred Eighty Four Dollars and Four Cents (\$4,284.04) for emergency repairs to the water mains, and One Thousand Seven Hundred Fifteen Dollars and Ninety-six Cents (\$1,715.96) on account of engineering counsel and surveying services for the improvement of the water supply and distribution system; and to authorize the Board of Commissioners to fix the time and place of payment of principal and interest of said notes or bonds and to fix the rate of interest thereon, and to delegate to the Board of Commissioners the negotiation and sale of the said notes or bonds, and the terms and conditions thereof.

ARTICLE 6. To authorize the Commissioners to borrow a sum of money, not to exceed Ten Thousand Dollars (\$10,000), in anticipation of taxes and other revenue, said loans to be payable from taxes and other revenues for the year 1949, and to issue notes therefor at such rate of interest and payable at such time, within one year, and place as the Board of Commissioners shall determine.

GIVEN under our hands and seal this 26th day of February, 1949.

WALTER E. MARSHALL,
ALWIN N. CLEVELAND,
CLYDE G. FAIRBANKS,

*Board of Commissioners of
Penacook and Boscawen Precinct.*
